Residential Household Hazardous Waste: Call for a no charge appointment Monday thru Friday between 9am-3pm with Marshall County Landfill @ (641) 752-0646, or call Metro Hazardous Waste, Bondurant toll free 1-888-603-2739.

Unacceptable Household Hazardous Materials

Propane tanks (recycle at the landfill)
Empty containers go in the garbage
Materials in containers larger than 5 gallons
Ammunition or explosives
Asbestos*
Radioactive materials
Fire Extinguisher
Latex Paint
*For information relating to disposal of Asbestos containing material, contact the landfill at (641) 752-0646.

Proper Disposal of Latex Paint

- Give away unused latex paint to a friend or a non-profit group (ex. housing project, school, or church group).
- Mix light colors together to use as a primer.
- Completely dried and hardened latex paint can be placed in your regular trash. Leave the lid off.
- Small quantities of latex paint can be dried by removing the lid and allowing the paint to dry. Keep it in a well ventilated area.
- Large quantities of latex paint can be poured in layers in a cardboard box/lid lined with plastic or newspaper.
- Stir kitty litter or saw dust into the latex paint. Once the paint is fully absorbed and hardened it may be placed in the trash with the lid off.

DISPOSAL & RECYCLING PROGRAMS

**ALL LOADS MUST BE
COVERED!**

MARSHALL COUNTY LANDFILL

2313 MARSHALLTOWN BLVD
MARSHALLTOWN, IA 50158
