

## Environmental Policy Statement

It is the intention of the Solid Waste Management Commission of Marshall County (SWMCMC) to influence positive environmental impacts in solid waste management and environmental stewardship in its planning area. The SWMCMC commits to dedicating efforts toward:

- Pollution prevention
- Regulatory compliance
- Environmental health and safety

SWMCMC will achieve this through “PROMISE”:

- P= Proactive decision making
- R= Resource conservation
- O= Outreach to stakeholders
- M= Mindful choices
- I= Input from internal & external sources will be considered
- S= Seek to make positive changes in the environment
- E= Educate staff and public
